**Around March 21, 2003:**

Bill Taylor "cashed in" the Edward Jones money market account of approximately \$16,800. He had approval from Danny Stewart and Eddie Daniel. No other board members responded to the request, but this was necessary in order to continue operations.

**May 28, 2003:**

Upon motion made by Bill Griffin and seconded by Eddie Daniel, a resolution was passed to authorize "Bill Taylor, Treasurer of the Nevada County Depot & Museum, to obtain from the Bank of Prescott a debit card on the corporation's checking account, and is empowered to execute any and all documents required of the bank to accomplish same." E-mail votes in favor were Bill Griffin, Eddie Daniel, Danny Stewart, Jon Chadwell, Ronnie Vandiver and Paul Boyd. No e-mail votes were cast in opposition. Not voting were Phil McAdams, Karen Ward, and Karen Holleman.

Upon motion made by Eddie Daniel and seconded by Phil McAdams, unanimous approval was given to allow the curator to use discretion in making inter-museum loans of artifacts and holdings.

Upon motion made by Eddie Daniel and seconded by Bill Griffin, unanimous approval was given to allow the President to use discretion in bringing the local historical society and/or the local genealogical society into the organization of the Nevada County Depot & Museum.

The board responded to a general question on the acquisition of artifacts – the museum is interested in accepting items for exhibits only if they are donated. Accepting a loan of artifacts is acceptable only in instances such as times we are putting together a temporary exhibit or we initiate the request for the artifacts.

In other business discussed, by no votes taken:

- Bill Taylor reported via Danny Stewart that the accountants were ready to prepare financial statements and audits for the past years.
- We need to make serious efforts to obtain grants; balance of cash will permit operations until around the end of November.
- The curator was encouraged to get volunteers to fully staff the facility during all hours we are open.
- Having booths at the county fair and upcoming genealogy and history days is fine, at the curator's discretion.
- Grand opening is August 14.

With no further business, the meeting was adjourned (motion by Eddie Daniel, second by Phil McAdams, unanimous approval).
